President's Report

- We had our 6th year doing the Pride Cup with the Scorpions and the Dragons,
- The dragons defeating the scorpions in Rugby and hockey in front of a 75-person crowd, which was amazing to see.
- Over the last year we have sent teams to national events. Powerchair football last November and our teams placed 9th and 11th and November this year Powerchair hockey, where our teams placed 2nd and 5th.
- Our future looks exciting we are re-branding to Victoria Powerchair Sports, we are going to launch our new brand at the DSR festival on the 3rd of December, and then a busy year to follow.

Election

It is with much sadness that Gary is standing down but will be available for full support, and that one of our life members in Hans Boars is also standing down, we would like to acknowledge Hans for all of his work.

No other nominations for president other than Luke David so he will stay as president, Craig Kilby was nominated for Vice-President, and our new treasurer is Shaun Mott, Adam Lloyd will still stand as Secretary.

The committee members as nominated will be Rebecca Gulle - Jules North-Coombes - Julia Svaganovic- Skip Fulton and Chris Kessararis.

Memberships and Fees:

\$6 Junior
\$14 players
\$120 for the season.

No change to last year, everyone's fees and memberships are due now.

Other Business:

Rick: When were nominations sent out? Because if was only Facebook I didn't get it.

Response: We has posted it on all social media platforms and emailed to everyone we had on our list, we got a few hand mails out but not many. Moving forward we are going electronic and hope to do things better next year, not an easy transition, keeping in mind we have not sent out membership forms for over 3 years.

We have lots of events coming up;

- DSR festival on the 3rd of December
- RCH come and try day on the 12th of December,
- We are also working on a festival like day with the Ballarat city council but still need to set dates.

Our proposed next AGM will be November 29, 2020

Thanks to everyone who turned up and looking forward for an exciting new season.

Meeting closed at 12:55pm.
